Transition to Digital Responsibility Form by 31st July 2025

As highlighted in the circular 2/2025, the BCA has introduced a new digital platform that replaces the traditional Detailed and Summary Responsibility Forms.

Please note that:

- Following the launching of the digital platform on the 9th of June 2025, a transition period is in effect, during which both digital and manual submissions are accepted.
- The final date for accepting manual forms is Thursday, 31st July 2025.
- As from 1st August 2025, the submission of digital responsibility forms will become mandatory, and all manually filled forms will be rejected.

We strongly encourage all Periti to log in to <https://portal.bca.gov.mt> familiarise themselves with the new system, and begin using it without delay to ensure a smooth transition.

Should you encounter any difficulties or have suggestions for improvement, please reach out to the BCA via email at ict.support@bca.org.mt.

Thank you for your attention and cooperation.
